**TRANSMITTAL OF EXECUTED
DECLARATION FOR PATENT APPLICATION**

Sir:

Applicants enclose for the convenience of the Examiner a copy of the complete Response to Notice to File Missing Parts of Application and Request for Corrected Official Filing Receipt, which was filed in the U.S. Patent and Trademark Office on September 22, 1999. The executed Declaration for Patent Application which is the subject of this transmittal was filed as part of that Response.

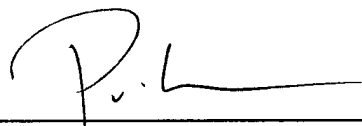

The Examiner objected to the Declaration for Patent Application in the Office Action mailed December 29, 2000. The Declaration was noted as defective because the citizenship information for applicant Oliver P. Peoples was typed in the form field in a font that was too large for the form field. Therefore, the name of the country of citizenship, Scotland, did not appear in its entirety on the form.

U.S.S.N.: 09/364,847
Filed: July 30, 1999
**TRANSMITTAL OF EXECUTED
DECLARATION FOR PATENT APPLICATION**

Applicants agree that the unexecuted Declaration filed with the application on July 30, 1999, contained this error. However, the **executed** Declaration filed with the Response to Notice to File Missing Parts of Application on September 22, 1999, did **not** contain this error. The error was discovered before the Declaration was executed and the country of citizenship for applicant Oliver P. Peoples was noted as "GB" on the **executed** Declaration.

Applicants respectfully request that the Examiner check the application file to ensure that the Response to Notice to File Missing Parts of Application and Request for Corrected Official Filing Receipt, and the documents filed therewith, were filed by the Patent Office pursuant to the enclosed copy of the returned postcard, which indicates receipt of the Response by the Patent Office on September 27, 1999.

Respectfully submitted,
